Everywhere!

Dear Parents & Grown-Ups, Welcome to Benji's Explorer Club!

Thank you for joining us on this exciting journey! Benji's Explorer Club was created to encourage children to step away from screens, explore the amazing world around them, and discover God's handiwork in nature — all while spending meaningful time with the adults who love them.

Each month, Benji and his friend Nova will guide your child through a new adventure. Together, you'll explore, observe, ask questions, learn new things, and grow in faith — one mission at a time.

*This is a parent/child adventure.
We explore better together!*
